

Bí Cineálta

Bullying is wrong and never ok, in our school everyone has their say.

If you are being bullied and feeling sad, go and tell your Mum or Dad.

A problem shared is a problem halved, make sure you tell your Mum or Dad.

Bullying can happen anywhere, don't be the one to just stop and stare.

Tell a teacher or a friend, this will help us bring bullying to an end.

When bullying ends we are all friends!
